

COMMUNITY
OUTREACH REPORT

2024

THE POWER *of gratitude*

I founded Lerner & Rowe Gives Back (LRGB) to teach my daughter Taylor, who was just four at the time, the values of humility and helping those less fortunate. Now, at 23, Taylor has seen our small family initiative—when we bought just one bike that first year, then two, three, and eventually 50 by 2008—grow into a multi-million-dollar philanthropic powerhouse. Back then, we didn't have much, but we had our health and each other, which was more than many. Today, LRGB is a registered nonprofit foundation that supports numerous organizations in achieving their missions and making a difference in communities across the country.

I invite you to review this year's community outreach report. Beyond highlighting the impact of our outreach efforts, it is also a testament to the incredible dedication of our team and community partners. It's through our shared commitment and

passion that we've been able to make a meaningful difference in so many lives.

This year, our 11th Annual Phoenix Charity Golf Classic achieved a milestone, raising over \$1.015 million. Similarly, our 4th Annual Merrillville Cornhole Tournament had a record-breaking year, bringing in over \$60,000. Importantly, every dollar raised was reinvested directly into the communities of Arizona and Indiana, respectively.

In 2024, we also celebrated the second year of our Arizona grant program, awarding over \$296k to support 22 nonprofit projects across four key areas: youth programs, health and human services, animal welfare, and public safety. These nonprofits share our commitment to serving the most vulnerable members of our community.

Additionally, our charitable outreach has extended to those in Nevada, New Mexico, and Illinois, where we have

continued to support marginalized communities, including the sick, underprivileged, homeless children, families, veterans, and animals.

As we look toward the future, we are filled with optimism and excitement about what lies ahead. We are confident that our dedication will continue to yield extraordinary results, allowing us to bring hope to those who need it most. We are proud that our Lerner & Rowe team goes beyond the traditional role of a law firm to make a positive difference in the communities we serve.

With heartfelt gratitude and warm regards,

Kevin Rowe, Esq.

AND SPREADING
JOY ACROSS OUR
COMMUNITIES!

From fundraisers to giveaways, we're uniting communities, supporting local causes, and spreading joy year after year!

For over a decade, our annual flagship events have grown from a heartfelt commitment to serving local communities.

With each event, we listen, adapt, and find new ways to make a bigger impact every year, addressing diverse needs like school supplies, holiday meals, and support for local charities. In Southern Arizona and Northwest Indiana, we

host two major fundraisers—Charity Golf Classic and Cornhole Tournament—annually that not only provide essential funds for local groups but also bring our community together with a shared purpose.

Alongside these fundraisers, our two annual flagship giveaways—Backpack Giveaway and Thanksgiving Meal Package Giveaway—are dedicated to supporting local youth, families,

and individuals. Each summer, thousands of backpacks filled with school supplies set students up for a successful year, while Thanksgiving meal packages bring families together with all the ingredients for a warm holiday feast.

Thanks to the continuous generosity and support of our community partners, we're creating positive change and spreading joy across our communities!

HUNKAPI's Horse Heart Connection program helps families build stronger bonds through equine-assisted therapy and mindfulness.

Our Lerner & Rowe Gives Back team had the chance to visit HUNKAPI Programs and learn firsthand how our \$23,000 grant is put to use. Equine-assisted therapy at HUNKAPI is a unique and innovative way to strengthen family bonds, helping parents and children build more solid, supportive relationships.

For 2024, HUNKAPI Programs created a new family-focused

initiative, their Horse Heart Connection program. Through this equine-assisted therapy program, families learn mindfulness techniques that help empower both children and adults with tools to better handle life's challenges in positive, life-affirming ways.

We are honored to be part of their journey and are excited to continue supporting their mission to create lasting change in the community.

COMPASSION IN ACTION AT RYAN HOUSE

Ryan House awarded \$30K Lerner & Rowe Gives Back grant to support their one-of-a-kind respite care program.

Ryan House received \$30k during the 2024 Lerner & Rowe Gives Back grant cycle toward its respite care program.

The program allows families to take a break and recharge while their child experiences fun activities with other young patients at the House.

Ryan House is the only facility of

its kind in Arizona that provides compassionate medical and respite care for medically fragile children around the clock.

Our team was honored to have the opportunity to support these supportive actions by serving a meal at Ryan House to local families with children navigating life-limiting or end-of-life journeys.

CENTRAL ARIZONA SHELTER SERVICES TEEN CENTER GRAND OPENING

This dedicated space also serves as a positive haven, encouraging teens to unwind in a safe and engaging environment.

DIGNITY, COMPASSION, AND HOPE DURING TOUGH TIMES

Lerner & Rowe Gives Back awards \$10K grant to Harvest Compassion Center for vital community support.

Harvest Compassion Center provides vital resources—food, clothing, and essential baby care items—to individuals and families in need. The center's unwavering commitment to supporting the community inspired us to contribute to their mission with a \$10K grant for 2024. During our visit, we were deeply impressed by the center's operations: shelves stocked with

a wide variety of nutritious food, freshly laundered clothing neatly organized, and baby supplies ready for families in need.

This hands-on care and thoughtful preparation ensure that no one leaves empty-handed. We are honored to help sustain these critical efforts in providing dignity, compassion, and hope to those facing tough times.

KICKING OFF WINNING PLAYS FOR ARIZONA YOUTH

Pass It On champions youth soccer programs in Arizona with \$6K grant from Lerner & Rowe Gives Back.

Lerner & Rowe Gives Back, committed to empowering Arizona's youth, provided a \$6K grant to Pass It On. This grant funded the purchase of sports equipment donations and free soccer clinics in underprivileged neighborhoods across the state.

In July 2024, Pass It On had a thriving donation tent at FC Tucson's Barrio

2 Barrio event where they gave away soccer balls and shin guards to disadvantaged youth. That same week, Pass It On held a free soccer clinic for kids from the Rising Families program in South Phoenix.

By providing resources and fostering a love for soccer, Pass It On helps kids reach their full potential.

SUPPORTING ABILITY360 IN EMPOWERING YOUTH INDEPENDENCE

Lerner & Rowe Gives Back is honored to support Ability360 with a \$5K grant, dedicated to enriching their 360Youth programs.

In the past, 360 Youth programs offered opportunities for youth and families to connect and engage through outings like STEM Night, stargazing, and a special Zoolights experience.

With support from our \$5,000 grant, Ability360 will expand these events by adding new recreation equipment, arts and crafts supplies,

food and beverages, and admission tickets to enhance program offerings.

We're proud to contribute to Ability360's mission of fostering a safe and inclusive environment where youth with disabilities, along with their families, can build skills and make lasting memories together.

\$15K TO BUILD BRIGHTER FUTURES FOR FORMER FOSTER YOUTH

Foster Arizona's transitional Housing Project empowers young adults to thrive and achieve self-sufficiency.

Lerner & Rowe Gives Back is honored to support Foster Arizona's impactful Housing Project with a \$15,000 grant, dedicated to empowering youth ages 18 to 24 who have aged out of the foster care system or are experiencing housing insecurity.

Foster Arizona's Housing Project is a 6-unit, 26-bed transitional housing program where young adults can build a foundation for their future.

In this safe and stable environment, youth build skills while receiving necessary support towards self-sufficiency so that they can successfully transition out of the program.

Lerner & Rowe Gives Back is proud to stand alongside Foster Arizona in supporting underrepresented youth as they work toward independence and self-sustainability, fostering a brighter future for the entire community.

\$25K FOR #LOVEPUP FOUNDATIONS IT'S HIP TO CHIP CAMPAIGN

Every dog deserves a loving home they'll never lose—and microchips make that possible!

As part of our ongoing commitment to animal welfare, Lerner & Rowe Gives Back is proud to continue supporting the #LovePup Foundation's impactful "It's Hip to Chip" campaign. Selected as a 2024 Arizona grant cycle recipient, #LovePup will use these funds to advance its mission of providing free microchips to dogs adopted from Maricopa County Animal Care & Control (MCACC) locations in Mesa and Phoenix.

Since 2018, "It's Hip to Chip" has helped countless families ensure their newly adopted dogs are always protected. Microchipping is an essential safeguard, and we know firsthand that the joy a pet brings into a family's life

is irreplaceable. A microchip can make all the difference if a pet ever becomes lost, helping to reunite families quickly, without relying on a collar or tag.

Microchips offer a range of benefits. They make it easier to identify and reunite lost dogs with their owners, reduce stress for pet owners, and decrease the number of stray dogs entering shelters. By funding this program, we are committed to helping every adopted dog have a safe, happy, and secure life with their forever family.

We're grateful for the opportunity to support #LovePup and make a difference in the lives of animals and families across Maricopa County.

\$10K GRANT FOR MOBILE FOOD PANTRY PROGRAM

We're proud to help bring vital food and resources to thousands of families in our community through Phoenix Rescue Mission's Mobile Food Pantry program!

Phoenix Rescue Mission (PRM) was chosen to receive a \$10,000 Lerner & Rowe Gives Back grant for 2024. The funds will go directly to supporting its Mobile Food Pantry program that serves families around the Valley.

To commemorate the selection, our team members also volunteered at one of PRM's monthly mobile

pantries to help pass out food, hygiene bags, and connect with community members.

The Hope for Hunger Mobile Food Pantry provides a reliable supply of nutritious food and other essential items that are critical to the health, development, and well-being of our most vulnerable community members.

At the end of the grant period, PRM anticipates achieving the following outcomes:

- 3,000 households will have been served.
- 550 new first-time households will have been served.
- 10,600 bags of groceries will have been provided.

\$20K SPONSOR FOR NEVADA SPCA'S 4TH ANNUAL NEON DOG WALK: DAY GLO

With the success of this year's event, the Nevada SPCA looks forward to another year of making a positive impact in the lives of local homeless and family pets.

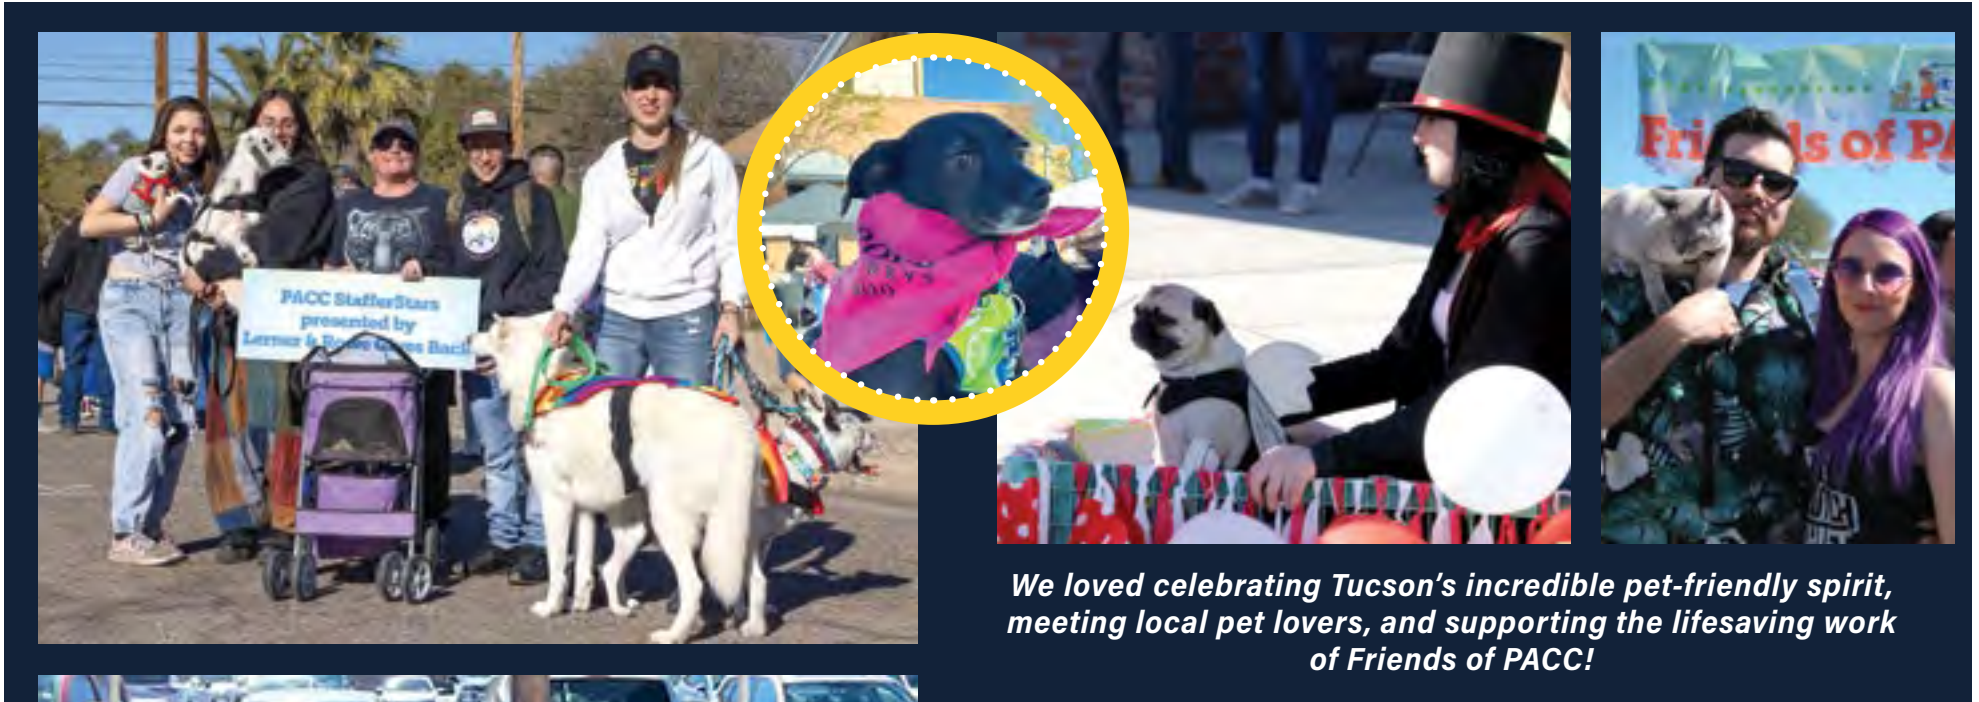

The Nevada SPCA's 4th Annual Neon Dog Walk: Day Glo event helped raise an impressive \$100,000 to support shelter pets in Southern Nevada. This much-needed funding will provide essential medical care and support for homeless pets and offer veterinary assistance for pet owners in need.

Lerner & Rowe Gives Back played a vital role as a \$20,000 sponsor, helping the Nevada SPCA supply "wag bags" and

branded hats to enhance the experience for participants and their pets.

Held at a local park, the Neon Dog Walk invited attendees and their dogs to don their brightest neon attire for a festive one-mile walk filled with live music, pet-friendly vendors, and a bustling craft beer garden featuring local brews. Food trucks, vibrant costumes, and joyful pups filled the park, creating a lively atmosphere in support of a great cause.

2024 SPONSORS OF THE TUCSON SUBARU PETS OF PIMA PARADE

We loved celebrating Tucson's incredible pet-friendly spirit, meeting local pet lovers, and supporting the lifesaving work of Friends of PACC!

SUPERHERO SHOPPING SPREE PARTNERSHIP 2024

Lerner & Rowe partners with Put On The Cape for a Superhero Shopping Spree, spreading joy to local youth.

Put On The Cape provides law-enforcement advocacy and support through lighthearted events. This support of law enforcement is just one reason why Lerner & Rowe is proud to once again partner with the foundation for a day of giving back.

The Superhero Shopping Spree this September supported the Glendale Family Advocacy

Center and the Urban Ministry Teen Center, bringing joy and empowerment to children in need. With the generous help of Walmart and Put on The Cape's amazing Supers, the lives of local youth were meaningfully impacted.

One heartwarming moment stood out when a young girl, initially strong in her dislike for law enforcement, had a

change of heart. Through the love and acceptance shown by everyone, including the officers, she felt special and valued. By the end of the day, she couldn't stop talking about how amazing the police officers were.

This transformation is a powerful reminder of what can happen when we take the time to show care and compassion.

Loren now holds the Division 2 World Record with a time of 2:41.97.

SUPPORTING 10 NORTHWEST INDIANA POLICE DEPARTMENTS DURING NATIONAL POLICE WEEK

We're honored to serve and support our local law enforcement for their dedication to keeping our communities safe.

For a 4th year, our Lerner & Rowe team celebrated National Police Week by catering a delicious spread to various police departments across Northwest Indiana!

This year, we were proud to have been able to serve 10 departments, double what we served in 2023.

law enforcement officers across the country for the sacrifice they make each day when putting on their uniform to protect our communities.

Our team also extends our gratitude to Mike's Main Event and Pappas Restaurant for working with us to provide these lunches!

SALT RIVER FIELDS 9/11 MEMORIAL STAIR CLIMB 2024

Honoring the Heroes of 9/11, our team joined the Salt River Fields Memorial Stair Climb to remember the bravery and sacrifice of our first responders.

Our team was honored to once again take part in the annual Salt River Fields 9/11 Memorial Stair Climb, a profoundly moving experience that allowed us to pay tribute to the fallen heroes of 9/11 alongside our community.

Each team ascended the equivalent of the 110 stories of the World Trade Center, symbolically honoring the bravery and

sacrifice of the firefighters, police officers, and EMS workers who lost their lives on that tragic day. In addition, teams carried badges featuring the name and photo of a fallen first responder, adding a personal and heartfelt element to this powerful act of remembrance.

The 2024 Salt River Fields 9/11 Memorial Stair Climb was not

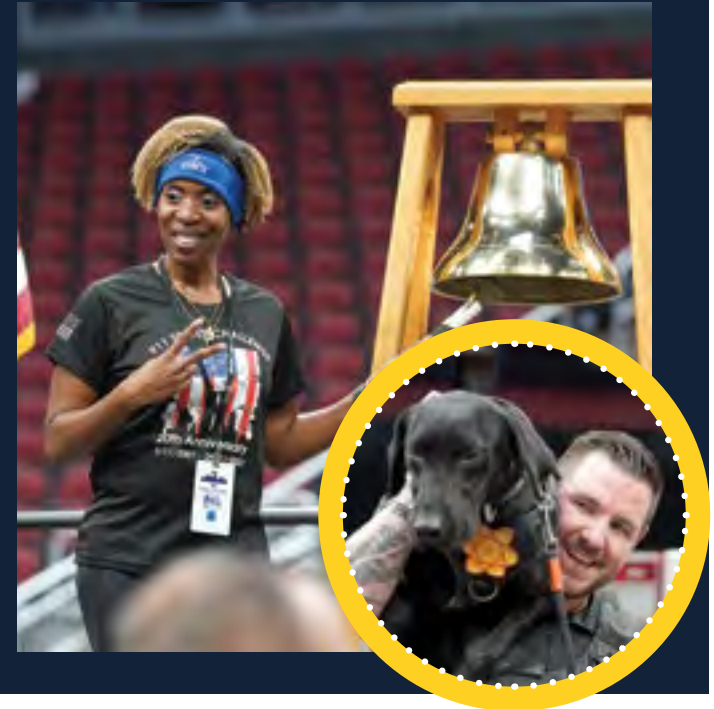

only a physical challenge but also a meaningful opportunity to unite as a community in remembrance of the courage and selflessness displayed by our first responders.

The atmosphere was one of solemnity and solidarity, reinforcing the importance of never forgetting the heroes who gave their lives in service to others.

REMEMBERING THOSE WHO MADE THE ULTIMATE SACRIFICE

The Tower Challenge powerfully honored 9/11 while recognizing and supporting the first responders and military who protect us daily.

As proud sponsors of the 100 Club of Arizona's annual Tower Challenge, we were deeply honored to join a community dedicated to honoring the brave individuals who lost their lives on September 11, 2001.

Held each year to commemorate the World Trade Center's Twin Towers, which stood 110 floors and 2,071 steps tall, this event invites thousands of Arizonans to walk, climb, and run as

a testament to resilience, courage, and remembrance. Throughout the morning, participants—firefighters in full gear, police officers, military members, bomb squad personnel, and civilians of all ages and abilities—gathered in solidarity.

They ascended the stairs lined with photographs of the fallen heroes, pausing to read the names and reflect on the remarkable courage of

those who gave their lives in service to others. The Tower Challenge not only provided a powerful way to reflect on 9/11 but also offered an important opportunity to recognize and support the first responders and military members who continue to protect us daily.

As participants pushed forward together, the spirit of unity and determination filled the air, reminding

us all of the kindness, bravery, and strength displayed during that tragic time.

Proceeds from the event go directly to the 100 Club of Arizona, which extends critical support to the families of police and fire personnel who are seriously injured or killed in the line of duty. We are immensely grateful to play a role in this meaningful tribute.

CELEBRATING 7+ YEARS OF PARTNERSHIP AND LASTING IMPACT!

Helping to bridge the relationship gap between the community and police officers by supporting positive community policing programs.

For over seven years, we've proudly partnered with Chicago Police Department's (CPD) District #9, supporting their community policing program to help build stronger bonds within local neighborhoods. CPD hosts events throughout the year to bring officers

and residents closer, and we're thrilled to be part of it—especially when it means joining in on Spring Break and National Night Out fun!

It's been a joy to support these gatherings that celebrate community and connection.

FIREFIGHTERS UNITE AGAINST CANCER GALA SPONSOR

Honored to support Local 493 Firefighter Foundation's mission to provide critical resources for firefighters and families facing cancer.

Lerner & Rowe Gives Back was honored to sponsor the Firefighters Unite Against Cancer Gala, hosted by Local 493 Firefighter Foundation, at the \$5,000 level.

This inspiring event united community members, businesses, and families to support firefighters battling cancer, raising vital funds for resources and assistance for those affected.

The evening featured heartfelt stories from firefighters and their families, highlighting the immense courage required to face cancer. It was a powerful reminder of the health risks

firefighters endure daily and the importance of providing tailored support.

Through our sponsorship, we proudly joined a mission that aligns with our commitment to giving back. Being part of such an impactful event strengthened our foundation's connection to the community and reaffirmed our dedication to supporting those who dedicate their lives to protecting others.

We look forward to continuing our partnership with Local 493 and contributing to their essential work.

The Salute & Saddle Up - Freedom Gala was a memorable evening of western-themed fun and philanthropy. The event raised critical funds for the Military Assistance Mission (MAM), a non-profit organization dedicated to supporting Arizona's military members and their families.

MAM offers a variety of programs, including financial assistance for rent, mortgage, car payments, utilities, food, and education. They also offer morale aid events, such as Operation Holiday Giving, Seats for Soldiers, Baby Bundle Bash, and baby showers.

Thank you so much for your support of Harvest Compassion Center! We count it a privilege to serve children in the Valley, and we love seeing the smiles on their faces when they leave HCC with their favorite food items, clothes and shoes that fit well, and the necessary hygiene or baby products!

Because of your grant, we can continue our mission of feeding, clothing, and loving our neighbors in a hope-filled environment! Last month, we met and served 1,422 families! We distributed 9,300 diapers and over 70,000 pounds of food. The need to secure basic necessities is high in the Phoenix Valley. Dear Lerner & Rowe Gives Back Team,

I just wanted to share an escape we just facilitated with funding from our grant. A young woman, just 18 years old who had been in foster care most of her life needed to escape from her violent boyfriend. The police have flagged it as a high lethality risk case because he had nearly killed her when they were called.

She is safe in a secure hotel room tonight and will be entering a DV shelter Sunday morning. The Lerner & Rowe grant made this escape possible. This young Survivor is so very grateful to make it out and is ready to start a life free from abuse.

We have helped several other escapes with the grant but this one touched my heart because she is so young and very nearly lost her life. Thank you for helping create a Society of Survivors!
